Terms and Conditions:

Required documents before dispatch:

«Original Invoice

•Warranty Certificate

»Shipping Bill/ Bill of Lading

«Packing List Remarks:

All dispatch and delivery schedules to be confirmed by SCIC prior to shipment.

Warranty:

12 months onsite warranty from the date of Site Acceptance Test (SAT) . The responsibility of rectification of any defects shall be with the Supplier and shall be rectified at the Supplier's cost

Installation:

Upon installation and commissioning of the machinery at the facility designated by the Purchaser, the Supplier shall deploy a minimum of 3 (three) technical experts to the site. These experts shall provide training, production guidance, and necessary assistance for a commissioning at no additional cost to the Purchaser.

Installation team to be available at least 7 days of equipment arrival.

Training:

Supplier shall provide comprehensive training for 2 weeks post commissioning, including operational training, maintenance protocols, and troubleshooting guidelines.

Technical Assistance:

The Supplier shall provide comprehensive technical assistance, including remote troubleshooting, onsite training, guidance on operational procedures, and support for resolving technical issues during regular

usage of the machinery. The Supplier shall respond to support requests within 24 hours arid deliver a suitable solution within 48 hours of notification, unless otherwise agreed by the Purchaser.

Liquidated Damages:

In the event of delays beyond the stipulated timelines for delivery, installation, or commissioning, the Supplier shall be liable to pay liquidated damages at the rate of 0.5% of the order value per week, capped at a maximum of 5% of the total order value. A cure period shall be provided as mutually agreed or as specified in the Agreement, allowing the Supplier to rectify any delays or deficiencies before the imposition of penalties. This provision shall not apply in cases where the delay is attributable to reasons mutually agreed upon in writing by both Parties or as detailed in the Agreement.

Reference to Agreement and Technical Agreement:

This Purchase Order (PO) is issued in conjunction with the Asset Purchase Agreement (APA) and the Technical Agreement executed between the Parties. The PO shall be read in alignment with these agreements, and in the event of any conflict between the PO and the agreements, the order of precedence shall be: (1) Purchase Order, (2) Asset Purchase Agreement, (3) Technical Agreement. All specifications, technical requirements, and terms as defined in the PO shall be binding and applicable to this transaction.
